

Sheharyar Khan

Web & Agentic AI Developer | Karachi, Pakistan

Summary

Creative and ambitious developer with over 2 years of experience in building modern, high-performance web applications. I specialize in the Next.js ecosystem, using frameworks like Tailwind CSS and tools like GSAP to create smooth, responsive user experiences. I am also an experienced Agentic AI Developer, with hands-on experience integrating AI models and automation tools to build intelligent and powerful solutions.
